

5. Any governor, part of whose votes must be counted in order to raise the total of any person above fourteen percent, shall be considered as casting all of his votes for such person even if the total votes for such person thereby exceed fifteen percent.

6. If, after the second ballot, seven persons have not been elected, further ballots shall be held on the same principles until seven persons have been elected, provided that after six persons are elected, the seventh may be elected by a simple majority of the remaining votes and shall be deemed to have been elected by all such votes.

næststørste Antal, og saa fremdeles, indtil de 15 pCt. er naaet.

5. Hvis en Del af en Repræsentants Stemmer skal medregnes for at bringe hele det paa en Person afgivne Antal Stemmer op over 14 pCt., anses denne Repræsentant for at have afgivet alle sine Stemmer paa den paagældende Person, selv om dennes samlede Stemmetal derved kommer op over 15 pCt.

6. Dersom der ikke er blevet valgt 7 Personer ved den anden Afstemning, skal der foretages yderligere Afstemninger efter samme Principper, indtil 7 Personer er valgt, dog saaledes, at den syvende, naar 6 Personer er valgt, kan vælges med simpel Majoritet af de resterende Stemmer, og saaledes, at han anses for at være valgt med alle disse Stemmer.
