

ANNEX III — FINANCIAL

SECTION I

1. Statements rendered by the Government of Denmark on the cost of operating and maintaining the services set forth in Annex I shall be based on the elements enumerated in Parts A, B, and C of Section II of this Annex. These estimates and accounts shall be rendered in accordance with a format and breakdown to be agreed upon between the Secretary General and the Government of Denmark. The Government of Denmark shall also provide, in a form agreed upon with the Secretary General, an annual statement showing any capital investment undertaken by it in respect of the Services, including renewal of buildings or equipment met from provision for depreciation.

2. The Government of Denmark shall not include, in the costs of the Services, customs or other duties on equipment or other materials imported for direct and exclusive application to the purposes of the Agreement.

3. If in the year 1957 or any later year the use by the Government of Denmark of the services for commercial purposes changes, that change shall be reflected by an appropriate change in the accounts.

4. The number of regular personnel charged to the Services shall not exceed the following:
